November 2012

Dear Families of Cessnock High School,

As Christmas approaches Cessnock High School’s newly elected SRC are looking to bring students together within the school and community in support of a worthy cause. This festive season we have turned our attention to the needs of others and will be supporting a charity.

The Salvation Army’s food collection drive works to provide help to others with the little things they may be missing out on at this special time of year. You can get involved by simply contributing any non-perishable good to our SRC “Christmas Hamper”.

Some suggested items for donation are:

- Tinned fruits, vegetables, soups or fish
- UHT milk
- Tea, coffee, Milo, Quik, cordial, soft drink or long-life juice
- Breakfast cereals and muesli
- Noodles, pasta or rice
- Sauces or spreads
- Chocolate or bags of lollies
- Sweet or savoury biscuits, potato chips or popcorn
- Jelly crystals, Ice Magic, boxed custard, cake mix, pancake mix or pudding
- Bonbons
- Or other Christmas treats with a long used-by date you can spare.

We thank you, on behalf of the Cessnock High School SRC and those families in need in our community.

Kind regards,

Ms Rebbeca Stranger, Ms Ainslie Martin and the SRC members

Mr Ian Scanlon
Principal, Cessnock High School
